

GE HealthCare Technologies Inc. Commences Secondary Offering of 25,000,000 Shares

June 5, 2023

CHICAGO--(BUSINESS WIRE)--Jun. 5, 2023-- GE HealthCare Technologies Inc. (Nasdaq: GEHC) (the "Company" or "GE HealthCare") announced today the launch of a secondary underwritten public offering (the "Offering") of 25,000,000 shares of its common stock (the "GEHC Shares"). GE HealthCare is not selling any shares of common stock and will not receive any proceeds from the sale of the GEHC Shares in the Offering or from the debt-for-equity exchange (as described below).

Prior to the closing of the Offering, General Electric Company ("GE") is expected to exchange the GEHC Shares for indebtedness of GE held by Morgan Stanley Senior Funding, Inc. and Morgan Stanley Bank, N.A. (together, the "MS Lenders"), affiliates of Morgan Stanley & Co. LLC, the selling stockholder in the Offering by designation of the MS Lenders. Following the debt-for-equity exchange, if consummated, Morgan Stanley & Co. LLC, as the selling stockholder in the Offering, intends to sell the GEHC Shares to the underwriters in the Offering. The selling stockholder in the Offering has granted the underwriters an option to purchase additional shares of GE HealthCare common stock at the public offering price less the underwriting discount for 30 days.

Evercore ISI, Morgan Stanley, BofA Securities, Citigroup and Goldman Sachs & Co. LLC are acting as the joint lead book-runners for the Offering.
